New Members:

Welcome is extended to the 2011 Confirmand Class. The class met throughout the year completing the various assignments and discussions to give them a good foundation into the work of the church. They participated in several “field trips” to experience missions of our own UCC as well as other church traditions.

The class met with Consistory during the May meeting as part of understanding church governance.

Hartman Center was alive for a weekend in late winter when our confirmands and many others from throughout Penn Central gathered for the annual Confirmation Retreat.

Thanks is extended to Pastor Weidler and to Jen Miller for their leadership and guidance this past year.

Welcome to Roxanne Miller and to F. Leon Douglas as they have partnered with St. Paul's on June 19, 2011
